LION'S ROAR

What's Roaring Around Campus?

The school year is off to a fantastic start, and things are roaring on campus! Chapels are in full swing, Safety Patrol is up and running, and Picture Day was a success, with a makeup day scheduled for November.

Volleyball, Soccer, and Cheer have begun, and our students are getting accustomed to wearing their ACA lanyards daily.

Get ready for progress reports. Reports will be on FACTS September 11th.

Chapel Services

Chapel services began last Monday and will continue throughout the year, centered around the inspiring theme "Rise Up!" Our students are taking an active role by leading worship, which has been an uplifting experience for everyone.
